9500 Wisconsin Ave.
Washington, D.C.

Dear Milton:

This has reached me that your new building, representing the expansion of the Fed. of Am. Soc. for Res. Therapy, is not completed. I congratulate you on this achievement. Having been a member of the Board of the Federation and having my association with this organization, it has been a great honor to me to have enjoyed my association with the Federation and the opportunity to meet many friends there.

It was a great honor to me.
